

Progress Chair

Serious comfort with style

Bringing people together with Progress

Lightweight, stackable, linkable and seriously comfortable.

Progress chairs are a no brainer when it comes to functions, student gatherings and events.

Our Progress chairs have long been the go-to choice for schools and assembly halls. Providing a generous seat size for maximum support and a built in backrest hinge which responds to the individual, maximum comfort and lumbar support is assured.

Features

- Progress Chair with Links also available.
- Versatile injection moulded high impact polypropylene seat.
- Anti-static, stain-resistant and UV protective.
- Engineered to withstand the rigours of constant commercial use.
- Superior level of comfort in both its ample width and its live hinge moulded into the backrest which responds to the individual, assuring maximum comfort with good lumbar support.
- Aluminium legs make it extremely lightweight.
- Chairs can be stacked up to 12 high for easy storage.
- Stacked chairs can be manoeuvred easily with the use of the Progress Chair Trolley.
