

Twist'n'Lock™ StingRay Table

Simple | Versatile

Create brilliant collaborative spaces using our cleverly designed pin-less leg table system

The StingRay creates a fun, collaborative modern learning environment. Designed to fit six students in a cluster of three, is also optimal for close distance group collaboration.

Collaboration has never been easier than with the StingRay Twist'n'Lock™ table. Designed with modularity in mind and available in a range of shapes, all our Twist'n'Lock™ Tables work together to make great settings. Plus, they're all height adjustable making them perfect for all Primary school grades.

Features

- The Twist'n'Lock™ range offers versatile shapes to create a variety of settings suitable for your specific learning modality.
- High performance lockable castors allow a space to be reconfigured with ease.
- Reinforced polypropylene legs (Twist'n'Lock™) deliver ultra strength and durability.
- Pin-less leg system means no more broken pins.
- Patented adjustment grooves allows fast and easy adjustment.
- Six adjustable heights (from 520mm to 760mm) increase classroom flexibility.
