Jojo Electric Folding Table

The ultimate flexible table solution.

The Jojo Electric Folding Table combines the ergonomic benefits of height adjustable desking with the mobility of a folding frame.

Jojo uses a rechargeable battery to activate height adjustment, which promotes agility within the workplace.

Made with versatility and flexibility in mind. Jojo's height adjustable legs can be set to the user's optimal working stance or just as easily folded, stacked and nested away. Fully operated with a cordless rechargeable battery, Jojo can be easily moved without worrying about damaging power leads.

01 Jojo is available in black and white options with the versatility to be used as a table or whiteboard

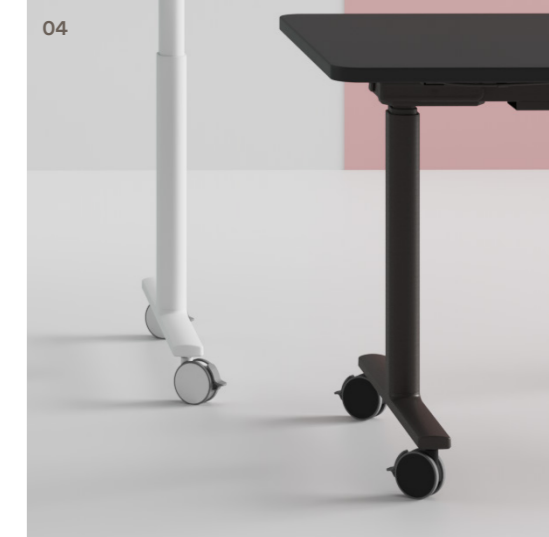

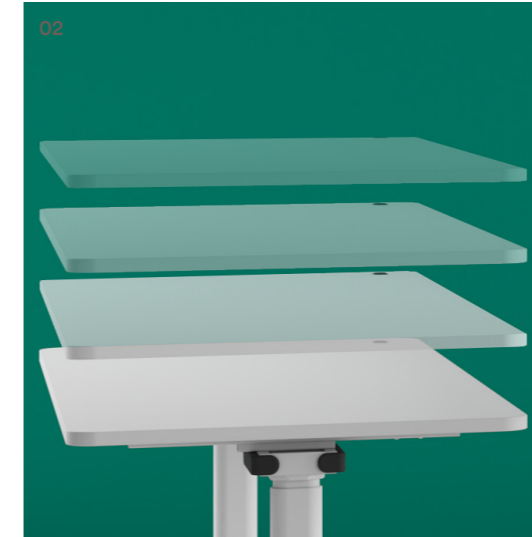

02 Height adjustable with built-in impact stop detection

03 Foldable table top with a safety bumper for safe stacking

04 Castor feet for mobility

05 Lithium Ion battery pack with LED light battery indicator and audible beeps to prompt low battery

06 Fully operated with a cordless, rechargeable battery and integrated USB port for mobile phone charging

Jojo can be easily moved and adjusted to create an adaptable workplace. This agility provides a unique degree of flexibility to transform any office into the optimal workspace.

Jojo Electric Folding Table

The ultimate flexible table solution.

The Jojo Electric Folding Table combines the ergonomic benefits of height adjustable desking with the mobility of a folding frame.

Sustainability Policy

We realise the importance of responsible business practices and have in place numerous product and company sustainability certifications. We would encourage you to download our annual Sustainability Report from the ThinkingWorks website to get a full overview of our sustainability program.
